# ENVIRONMENTAL SAVINGS REPORT

## what is it

Our environmental savings report is a two page document that highlights your company's contribution to environmental sustainability through the participation of our recycling programs. This participation can include selling pallets to Kamps, participating in one of our repair and return programs, or simply purchasing recycled pallets from Kamps.

## how it can be used

The environmental savings report can be used to highlight your company's pledge to environmental sustainability to stakeholders. The data can also be used in conjunction with other departments to report on your company's overall environmental impact.

## available formats

- Digital PDF File
- Physical Print (when requested)

# GREEN SCORECARD BADGE
